Disclaimer

This rationale and associated trading recommendations are provided for informational purposes only and do not constitute investment advice, financial recommendations, or an offer to buy or sell any securities. The analysis is based on technical indicators and historical market data as of [Insert Date, e.g., 01 April 2022], and is prepared in compliance with the SEBI (Research Analysts) Regulations, 2014.

Key Disclosures:

- **No Guarantee of Performance:** Past performance is not indicative of future results. Trading involves substantial risk of loss and is not suitable for all investors. Targets (TGT) and stop losses (SL) are estimates based on technical analysis and may not be achieved due to market volatility, news events, or other factors.
- **Risk Warning:** Investors may lose all or more than their initial investment. Recommendations are for intraday trading and assume high risk tolerance. Always use appropriate risk management, including position sizing and stop losses.
- **Independence:** The analyst/research entity has no financial interest, direct or indirect, in the securities mentioned. No compensation was received from the subject companies.
- **Assumptions and Limitations:** Analysis relies on chart patterns (e.g., resistance breakout, 200 DMA), which are subjective. Forward-looking statements are subject to uncertainties. Data sourced from [e.g., Trading Platform/Exchange].
- **Regulatory Compliance:** This document is issued by a SEBI Registered Research Analyst (Registration No. [Insert if applicable]). It adheres to SEBI guidelines for transparency and fairness. Conflicts of interest, if any, are disclosed herein (None in this case).
- **Advice to Investors:** Consult a qualified financial advisor before acting on this information. Conduct your own due diligence. The firm/research analyst shall not be liable for any losses arising from reliance on this rationale.
